

**Appln. No.: 10/568,109
Amdt. dated November 29, 2007
AMENDMENT AF**

REMARKS

Double Patenting Rejection:

Applicants are refiling a terminal disclaimer herein with an attorney of record signing to overcome the non-statutory obviousness-type double patenting rejection as being unpatentable over claims 1-8 of commonly owned co-pending U.S. Pat. Appl'n. No. 10/568,110 in view of Kawachi (U.S. 2003/048961). Accordingly, Applicants respectfully request this rejection be withdrawn.

Claim Rejections

The rejected claims 1-8 have been canceled. Claims 12-14 and 17-18 have been amended to depend on allowed claim 9. Thus, the rejections are traversed.

Allowed Claims

Applicants acknowledge with appreciation the allowance of claims 9-11. Claim 9 has been amended to further clarify the content of copper and silver in the overlay. As amended, the Examiner's stated reason for allowance is maintained, and thus, a notice of allowance is respectfully requested.

It is believed that this application now is in condition for allowance. Further and favorable action is requested.

Payment of the 1 month extension of time fee in the amount of \$120 is being paid through electronic filing.

The Patent Office is authorized to charge or refund any fee deficiency or excess to Deposit Account No. 04-1061.

Respectfully submitted,

DICKINSON WRIGHT PLLC
